

Is Your Veterinary Hospital AAHA-Accredited?

We are.

Most pet owners don't realize that accreditation is not a requirement in veterinary medicine like it is in human medicine. The American Animal Hospital Association (AAHA) is the only organization that accredits veterinary practices in the U.S. and Canada. Accreditation by AAHA means we've passed a voluntary evaluation of more than 900 standards and that we are dedicated to upholding the highest standards of care for your pet.
